会場や出展者数に合わせ、レイアウトやコンテンツを変更する場合がございますが、以下のような展示内容を想定しております。

第1 展覧会(京都展)でのパネル展示

第1 展覧会(バンコク展)でのパネル展示

作品コンセプト

House in Hashimoto

<concept>
A renovation project for 60 years old house.

In the past, the house has five people, only two couples now. While connecting the memories, I made a place to create memories of the future for old couple.

I hope the wind will pass again to the house which has been closed due to the busy days.
